Low Retail Value — A low retail valued boat will show excessive wear and tear either cosmetically and/or mechanically. This boat may or may not be in running order.

The buyer can expect to invest in cosmetic and/or mechanical work.

Low retail vessels usually are not found on a dealer's lot. Low Retail is not a trade-in value.

Average Retail Value — An average retail valued boat should be in good condition with no visible damage or defects. This boat will show moderate wear and tear and will be in sound running condition.

The buyer may need to invest in either minor cosmetic or mechanical work.

Note: Vehicles/Vessels in exceptional condition can be worth a significantly higher value than the Average Retail Price shown.
